This summer, Ventspils Science Center VIZIUM invites you to celebrate the Terrace Festival together, where families will be able to work in STEAM tents – experiment, learn the basics of electronics, program robots, create charms and pins, try out VR glasses and more! Transformers will also be there to meet guests, Marija’s dance studio will delight with dance performances, while DJ Monsta will provide positive musical entertainment.

The VIZIUM Terrace Festival will take place on August 2nd from 1:00 PM to 4:00 PM. Programme of the event:
