

Workshops at the Science Centre VIZIUM

– STEM for Seniors

Foto autors Ventspils photo archive

Wednesdays from 10:30 AM to 11:30 AM. invites seniors to a new and exciting workshop series, **STEM for Seniors**, where participants will explore science, technology, engineering, arts, and mathematics in an interactive and engaging way. During the workshops, seniors will have the opportunity to experiment with chemistry, learn the basics of programming, work with robots, tackle engineering challenges, develop creative thinking, and much more. More information about the classes can be found here: www.adre.se/stemsenioriem.
