Celebrating one of the most important events in Latvia’s history – the Day of Restoration of Independence of the Republic of Latvia, on May 4th at 3:00 p.m., a heartfelt and creative festive event for families with children will take place at the “Fantāzija” Children's Park.

Together, we will watch the puppet theatre performance “RIKKO” – “A Fairy Tale about Latvia,” which will take young viewers on an exciting and educational journey through Latvia’s stories, values, and natural beauty. The beloved musician and event host, Ēriks Balodis, will ensure a warm atmosphere and an entertaining program for both children and their parents, as they collectively celebrate the idea of Latvia’s independence – freedom, belonging, and family spirit.

Entry to the event is free.
