On May 11 at 11:00 AM, a heartfelt Mother’s Day event will take place in the Children’s Town. The preschool “Zvaigznīte” will delight the audience with a musical performance titled “The Celebration Pretzel”, featuring both students and teachers. The event promises to be an exciting and joyful experience for the whole family.

The story of the performance “The Celebration Pretzel” tells of children who want to make their mother happy by baking a festive pretzel together. On their journey to gather the needed ingredients—eggs, flour, and milk—they visit the hens, mice, and a cow, meeting friendly animals who gladly help by sharing what the children are missing at home. Throughout this delightful adventure, young viewers and their families will be entertained with songs, dances, and games that encourage cooperation, friendship, and a warm family spirit.

We warmly invite families to a heartfelt festive morning.

The event is organized by the preschool “Zvaigznīte” in cooperation with the Ventspils Cultural Centre and supported by the Ventspils State City Municipality.
