

# “Little Researchers Workshop: Learning Letters” for preschoolers at the VIZIUM Science Center

Foto autors Ventspils Photo Archive

Preschool children have the opportunity to participate in the “Little Explorers Workshops”, where, by playing games, playing and engaging in various fun activities together with smiling teachers, they will have the opportunity not only to have a great time, but also to acquire new skills and knowledge.

During the classes, children will have the opportunity to learn and repeat already known letters in an exciting way with the help of the mBot2 robot, play various interactive games about letters, promoting positive learning of reading skills.

The application form can be found [here](#).
