On June 4th at 11:00 AM, an exciting event called “Moto Day in Jūrkalne” will take place at the Jūrkalne motocross track, inviting everyone interested in technology, sports, and an active lifestyle. During the event, there will be opportunities to participate in theoretical and practical sessions about motorsport, test your skills on a bike simulator, experience different roles on the track, and meet experienced athletes to gain inspiration from their stories. The day will conclude with musical surprises and communal soup cooking. The program is available: [here](#).
