Ventspils Culture Center invites children and families to celebrate International Children’s Day together on June 1st by participating in the exciting Children’s Festival “Safety Detectives.”

This year’s festival motto – “Safety Detectives” – invites children to become investigators and explorers, learning about various safety-related topics. Through games, experiments, and creative activities, children will gain essential knowledge about traffic safety, emergency procedures, digital safety, as well as safe behavior in the environment and in relationships with others.

3:00 PM Pārventa Children’s Park “Fantāzija,” where children are invited to watch the musical play “Little Dwarfs in a Big World” offered by the creative group “Čučumiža.” Also on-site will be Pārventa Library’s creative workshop and a food stall.

We invite all families to an unforgettable, creative, and safety-knowledge-filled day in Ventspils! Let’s become real “Safety Detectives” together!
