

“Little Researchers Workshop: Numbers, Numbers” for preschool children at the VIZIUM Science Center

Foto autors Ventspils Photo Archive

Preschool children have the opportunity to participate in the “Little Researchers Workshops”, where, by playing games, playing and engaging in various fun activities together with smiling teachers, they will have the opportunity not only to have a great time, but also to learn new skills and knowledge.

In classes with various digital tools and technologies, numbers will be repeated and mathematics will be learned, showing that learning about numbers can be exciting, through interactive games and play.

The application form can be found [here](#).
