

# Training series “Fun Math: On the Way to 1st Grade” at the VIZIUM Science Centre

Foto autors Ventspils Photo Archive

The Ventspils Science Centre VIZIUM invites future first graders to the training series “Fun Math: On the Way to 1st Grade,” specially designed to help children acquire their first math skills and successfully prepare for the start of school. In the sessions, children will learn addition and subtraction up to 20 in an engaging and interesting way, explore geometric shapes and telling time on the clock, and develop logical thinking skills.

The content of the training series “Fun Math: On the Way to 1st Grade” sessions:

- June 28th, 10:15 AM – 12:15 PM “Addition and Subtraction up to 10”
- July 12th, 10:15 AM – 12:15 PM “Addition and Subtraction up to 20”
- July 26th, 10:15 AM – 12:15 PM “Continuing to Learn Addition and Subtraction up to 20”
- August 9th at 10:15 AM – 12:15 PM “Geometric Shapes”
- August 23rd at 10:15 AM – 12:15 PM “Clock and Logical Tasks”

It is also possible to register for individual sessions by choosing only the topics that interest you. You can sign up for the sessions by filling out the form here:[www.adre.se/matematikavasara](http://www.adre.se/matematikavasara).
