

# Small Sea Festival at the Seaside Open-Air Museum

Foto autors Ventspils muzeja foto arhivs

The Small Sea Festival will be enriched by the folk group “Laipa,” the ensemble “Vēju stundā,” and the Suiti Women – they will sing, perform, and dress visitors in traditional Suiti clothing. There will also be a market with Suiti and other local goods, as well as various sea-themed workshops. In the new museum building, you can view the exhibition “Beer Mugs” – featuring Dzintars Ozoliņš’s collection and items from the museum’s holdings. *Entrance with the Museum tickets.*
