

Small Village Festival in Stikli

Foto autors Ventspils novada foto arhivs

On July 4th at 7:00 PM, the “Small Village Festival in Stikli” will take place in the Glass Village. As every year, the residents of Stikli will gather to celebrate the festival with a concert and communal soup tasting. The traditional festive soup and warm atmosphere bring together both young and old. This lovely tradition strengthens the sense of community and preserves the spirit of the village.
