On Saturday, July 12th, at 6:00 PM, a Garden Festival will take place in the garden of the old Zlēki parish house – a colorful and warm-hearted event for the whole family. The festival program includes a musical picnic with live music, creative workshops for all tastes, fun activities for children, and a cozy café. Visitors are encouraged to bring their own picnic baskets and enjoy the festive atmosphere outdoors. Admission is free of charge. We invite both young and old to the Garden Festival – together, let’s create beautiful summer moments!
