

Creative workshop “The Fairy Tale Forest Cabin!” at the VIZIUM Science Centre in Ventspils

Foto autors Ventspils Photo Archive

In this workshop, you’ll have the chance to create your own unique little cabin using various natural materials that will help give it a special character. You don’t need to be an architect — here, imagination and creativity are what matter most! Will your cabin be a gnome’s house, a fairy’s nest, or a miniature wooden villa? That’s for you to decide. You can purchase tickets at the VIZIUM box office or [here](#).
