SIA “Kurzemes Filharmonija” offers guided tours of Concert Hall “Latvija” on four summer Thursdays for anyone interested, providing a closer look at areas and features normally inaccessible, as well as fascinating insights about the building, instruments, and its wide range of possibilities.

Group tours at Concert Hall “Latvija” are usually available by appointment, but this offer is more suited for individual visitors. Similar to other events, tickets for these tours can be purchased at the concert hall box office or any other “Biļešu Paradīze” sales point. Tickets will also be available for purchase just before the tour.

The tours are scheduled on four Thursdays at 16:00 — July 24, August 7 and 21, and September 4. The prices for these visits are the same as for group tours: €2.50 for adults, €1.50 for pupils, students, pensioners, persons with Group I and II disabilities and their companions, while children under 7 years old can attend free of charge.

Concert Hall “Latvija” is celebrating its sixth anniversary this week. Over these years, it has become an important venue where many internationally recognized artists have performed. The new season will begin on September 27 with a grand concert titled “LNSO, Vasks, Golden Baroque, and Fauré’s Requiem.”
