

VIZIUM Science Centre’s Science Show

“A Journey Through Science”

Foto autors Ventspils Photo Archive

In the show “A Journey Through Science,” every experiment is like a magic trick—with a real scientific explanation. It’s an adventure where you’ll see, hear, and feel science in all its colors. We’ll explore groundbreaking discoveries that changed the world and bring to life experiments inspired by some of the greatest minds in scientific history—from electricity and gases to light, color, and explosions.
