The Vārve Parish Holiday “Green – Even Greener is the Time of Parish Holidays” will begin with sporting activities – beach volleyball and streetball, followed by a procession. The festivities will open with a concert by amateur art groups. During the day, visitors will have the opportunity to see a handicraft exhibition, participate in creative workshops for children and young people, participate in activities organized by the library, and learn about the history of Vārve parish at a film screening. Families will be able to test their solidarity in volunteer firefighter relays. The festivities will continue with a concert by Jānis Moisejs, and at the end of the evening, a green ball with the band “Piemare”.
