

Free seminar on drone piloting together with the Civil Aviation Authority (CAA)

Foto autors Ventspils Photo Archive

A seminar on unmanned aerial vehicles (drones) organized by the Civil Aviation Authority (CAA) will be held at the Ventspils Science Centre VIZIUM. Participants will have the opportunity to learn about regulatory requirements and user responsibilities for safe drone operations, as well as to take in-person theoretical exams for A2 and specific categories. The seminar is free of charge and open to everyone interested! Learn more [here](#).
