

# Organise your event at the VIZIUM Science Centre in Ventspils

The new VIZIUM Science Centre has been offering its wide exposition, science shows, and workshops to the local residents and city guests for nearly six months now. VIZIUM is a great destination not only for family holidays and field trips, but also a peculiar place where to organise various events, such as birthday parties, corporate events, and conferences.

There is nothing better than a fun, active, and festive get-together, experiencing the entire palette of emotions and new things in the circle of the closest friends and family. The VIZIUM Science Centre offers a wide range of options for birthday parties, which include various fun activities and workshops.

**Offer for birthday parties:**

- Visit to the exposition hall by a group Price according to the regular price list (10% off for groups consisting of more than 10 persons).
  - Group activities in the exposition hall
    - 60 min activity (creative tasks, fun games, prizes for the winners) + 3 h free time in the exposition hall.

VIZIUM is a perfect place for corporate events, providing an opportunity to unite the team in an exciting manner and to thank the employees for their contribution to the company’s operations. Teams are offered various activities in the exhibition hall, which include tasks and prizes for the winners.

- **Corporate events at the VIZIUM Science Centre** Event which includes teambuilding and fun activities, during which the employees of the enterprise/ organization are divided into teams and complete various fun tasks, using the exhibits and other objects present in the exposition hall. EUR 480.00 for a group up to 10 persons + 24 EUR for each additional person. 120 min activity + 2 h free time in the exposition hall. To facilitate the completion of tasks, the participants should wear comfortable clothes and footwear.

The VIZIUM Science Centre offers new, spacious, and modern conference rooms, which can be also used for various events for up to 120 persons. The conference rooms are equipped with a screen and sound system.

**Conference room rental**

- There are 3 new modern conference rooms at the science centre, which can be connected thus adapting them to the necessary number of visitors.
  - Up to 40 persons – EUR 200.00 per hour.
