

Celebration of animals and friends of the forest in children's parks

On Sunday, 25 December, the creative team will welcome the little friends of forest in the Children's Town at 11:00 AM and in the Children's park "Fantāzija" at 3:00 PM to play winter games and have fun together with the characters the Badger, the Rabbit, the Squirrel, and Santa Claus.

On the Christmas Day, families with children are invited to enjoy the exciting programme "Celebration in the Forest", so put on something warmer and bring your sleigh with you. A big surprise awaits you, as Santa Claus has decided to stop by and meet the forest animals to find out what kind of games they like. Have the naughty animals been good this year to receive presents?

What kind of competition does the Rabbit have in mind? Let us find it out together.

The event is organised by the Ventspils Culture Centre and supported by the Ventspils State City Municipality.

Admission is free is charge.
