An energetic adventure seeker.

Will add new colours to historical artefacts, making them speak to you and make you interested – irrespective of your age, gender or political views.

An optimist who will enable you to see her native city Ventspils and Kurzeme both with your eyes and your heart.

During night excursions, will reveal the play of lights and shadows.

Deep in her hearth – a friend of nature. Motto.

I lead tourist routes and excursions in Ventspils, Kurzeme, Latvia, and the Baltic States.
