I was born in Riga in 1956 and have lived here all my life. I have been involved in guiding for 49 years, since the age of 16. It has been my main job for the last 15 years.

Subjects of interest: history, art history, heraldry, symbolism, religion.

I lead tours in almost all museums in Riga – more than 50 tours around the capital city, some of which are not even offered by any of my colleagues.

Many tours around Latvia, including organising concerts. Straupe, Ungurmuiža, Cēsis, Bauska, Rundāle, Mežotne. Sigulda, Turaida, Krimulda and many other intersting places in Latvia.

I have certificates for guiding tours in Ventspils, Rundale, Cēsis, Araiši and Riga.

I lead tours in Italy in 11 cities with museums and in Barcelona with museums. I can give more than 200 lectures on the internet in Italy and Barcelona. Zoom or Skype is required.
