

Fountain DZIRNAKMENS

Foto autors Ventspils Tūrisma informācijas centra foto arhivs

Fountain is decorating the mill square from year 1993. It was rebuilt and modernized in 2008.
(designers SIA “Architecture Plus Design Alternative Tolerance Agency”, Augusts Vilcāns).
Fountain “Mill Stone” is created from original mill stones. It symbolizes mills that once was located on this square.
Fountain has 33 different form water streams. Located in the centre of the City.

📍 Lielā Dzirnavu iela 10
