

# Cocktails and Science

Foto autors: Science centre VIZIUM

Ventspils science center VIZIUM invites all adults interested to spend Friday evening in a free and entertaining, but at the same time educational and creative atmosphere, attending the science evening for adults “Cocktails and science”, which will take place on February 17. The exciting program of the event will combine science, erudition and the performance of excellent bartenders.

In the course of the evening, visitors will be offered a wide and varied program of events, within the framework of which they will have the opportunity to go to the “Alcohol laboratory” together with “Balzāmbāra” bartender Pēteri Repečko and Jim Beam&Maker’s Mark brand ambassador in the Baltics Riharda Onzuli, participate in erudition games, testing their knowledge of various drinks, play strategic game, taking on the role of cocktails, capturing the fun time with friends in beautiful photos, and at the end of the evening, participate in a draw for great prizes! **The event will take place on February 17 from 19.00 – 23.00 on the second floor of the science center VIZIUM. The program of the event can be found here.**

**Entrance fee to the event is 10 EUR** Tickets to the event are also available in advance at the science center box office and online <https://vizium.lv/booking>. On the day of the event, tickets to the event can be purchased until 22.00 More information is available by phone: 66776633, by writing to e-mail: [info@vizium.lv](mailto:info@vizium.lv). During the event, the exhibition hall will be closed.

*Entry to the event upon presentation of an identity document. VIZIUM reminds you that excessive alcohol consumption is harmful to your health. It is forbidden to sell, transfer and buy alcoholic beverages to minors.*
