Foto autors Ventspils novada pašvaldības foto arhīvs

In Ugāle Parish there is a circular walking trail of ~ 6 km length with benches, signs, information boards, a stand, swings, stairs, bridges. The trail starts and ends at the Ugāle Parish trials track and, following the trail symbol – orange signs with feet – you will walk around and learn a lot about Ugāle, about the grandeur and richness of its forests, about the history of the Parish through the centuries.
