

Solo concert Shipsea. In Warm Light by Jānis Šipkēvics

The concert will feature songs that reflect the wide range of temperatures of love – from Rainis' 'Meitenes ar ledus acīm' to hot passion. The best-known pieces of Shipsea, including 'Taviem ceļiem', 'Mežaparks', and also 'Tavi vilņi', 'Pie upes', 'Dunka', and 'Siltā gaismā' from his latest album Apgaismo mani will be performed in a new interpretation in combination of string quartet, piano, and vocal.

The program will be complemented by the most beautiful melodies created by Imants Kalniņš, Keita Buša, Pīters Gabriels. Una Daniela will also take part in the concert, as well as the charming ladies of the SHIPSEA string quartet. Organized by SIA "Kurzemes filharmonija", financed by the European Regional Development Fund and the municipality of Ventspils.
