

On 18 June, 11:00 – 15:00, the Ventspils Science Centre VIZIUM invites residents and guests to the 1st VIZIUM Digital Festival, offering a rich programme of creative, educational, attractive and fun activities that will delight both young and old visitors.. The VIZIUM Digital Festival will take place in front of the Science Centre's building and all activities will be free of charge!

Visitors to the Festival will also be treated to a varied stage programme. After a solemn address by Jānis Vitolīņš, Chairman of the Ventspils State City Council, the Festival will be opened with an energetic performance by the dance school “KSENIA PATOKINA DANCE”. “Laboratorium” will surprise with science, chemistry and physics experiments, after which Transformer itself will come to VIZIUM to entertain both young and old with dance and songs! Magnificent magic tricks will be conjured up by illusionist Magic Weiss, and as a festive icing on VIZIUM’s birthday cake – a concert by the band “Citi zēni”! DJ Toms Grēviņš will be on stage throughout the day to provide positive music.

All activities at the Science Centre will be free of charge, but you can visit the Science Centre's exhibition by buying tickets at the Science Centre's box office or on the website. **The Science Centre's exhibition hall can only accommodate a limited number of visitors at a time, once this is reached, ticket sales will be temporarily suspended. Visitors are kindly asked to be considerate and to purchase tickets in advance on the website, thus reserving their visit time!** 18. On 18 June, a 10% festive discount will be applied to tickets purchased at the box office!

Follow VIZIUM on social media and be the first to know! Facebook, Instagram, TikTok @viziumventspils.

Please be informed that photographs may be taken and video/audio fixation may be used during the events organised by Ventspils Digital Centre in order to ensure transparency, as well as for illustrative and artistic purposes and for purposes of publicity, marketing, and interviews. Photographs and videos may be published on the website, social networks, and in printed publications of Ventspils Digital Centre and VIZIUM Science Centre.

The event takes place as part of the project Establishment of an Innovation Centre in Ventspils of the Activity Innovation Centres under the programme 'Science and Education' of the EEA and Norway Grants for 2014–2021.
