

PRIME ORCHESTRA Rock Symphony

Show

The PRIME ORCHESTRA phenomenon broke into the music and concert scene in 2014, representing a qualitatively new wave of Ukrainian music. Prime Orchestra’s “signature” consists of world hits and soundtracks in a cover version and *mash-up* original arrangement, all “packaged” in a vibrant visual concept.

The orchestra looks incredibly stylish and performs beloved songs from SYSTEM OF A DOWN, PRODIGY, SCORPIONS, QUEEN, AC/DC, METALLICA, RHCP, DEEP PURPLE, DEPECHE MODE, EMINEM, BILLIE EILISH, SAM SMITH, or WEDNESDAY OST. u.c.

The orchestra consists of graduated musicians and graduates of high-level music educational institutions: rock band, vocalists, string orchestra and DJ sound effects.

Organized by SIA “Teatron”.
