One of the most powerful Latvian rock groups “Dzelzs vilks”, celebrating more than 30 years on stage and celebrating the recently released album “Jauni”, is going on the most ambitious concert tour of the association “Dzelzs vilks. New 30”.

“Dzelz vilks” has been an explosive phenomenon in the sky of Latvian rock music for a little more than three decades, both in the band’s sound recordings and on concert stages. With 15 studio albums and seven Latvian Music Recordings of the Year awards, “Dzelzs vilks” consistently gathers fans of all generations at concerts, keeping listeners on a strong rock wave at every performance. Group “Iron Wolf” in 1991. It was founded in Mālpilis by its soloist, guitarist and songwriter Juris Kaukulis, whose timbre of voice, charismatic performance manner and tireless energy cannot be confused with anyone else. The band currently also includes Kaspars Tobis (synthesizers), Mārcis Judzis (drums) and Kārlis Alviķis (bass). On the “Iron Wolf” concert tour. New 30” will be played with full power, both compositions loved by the listeners, less frequently played compositions, as well as the latest creations of “Dzelzs vilks”. Organizer: SIA Art Management Group
