

Concert BACH AGAINST THE MACHINE

by DAGAMBA

The new Concert Programme fuses the music of the father of academic music, the great composer Johann Sebastian Bach, and the work of one of the most influential rock bands in the world – Rage Against The Machine – in a way that is unique to DAGAMBA musicians.

“The idea for BACH AGAINST THE MACHINE came after the successful #LudwigVan-Rammstein tour, and in the context of world events we felt that this was the right moment to realise the idea”, says band member Valters Pūce.

The Concerts will feature DAGAMBA’s new concert programme as well as works already popular with the audience.

The Concert is organised by SIA Dagamba.
