

“Shelter” – performance by “Marijas deju studija”

The door that leads to the wonderland of “Asylum”, where there is always spring, warmth and love. Anyone who believes can get to the asylum. An icy and freezing cold has entered the wonderland, which must be overcome and can be done – with courage, justice, meekness and might. We are preparing for the day when there will be a battle for the complete freedom of Asylum! The story of the show is based on the events of the film “The Chronicles of Narnia”.
Choreography, director: Marija Keserovska.
