

Christmas Gift Workshops!

Foto autors Ventspils Jauniešu māja

We have thought about meaningful ways to spend time that combine learning new skills, having a good time, and participating in Christmas gift-making workshops! Every Thursday until Christmas, we invite you to join festive workshops where you can make candles, create clay dishes or decorations, and craft soaps! Alongside the workshops, the space will be filled with the aroma of gingerbread, as everyone will have the opportunity to bake and decorate their own gingerbread cookie! On December 12th and 13th, from 5:00 PM to 7:00 PM, there will be activities with quick-drying clay*, where you can create small dishes, ornaments, or festive decorations. Participation is free, and all materials are provided! *Quick-drying clay may take up to 24 hours to dry. If the created dish is large and doesn't dry quickly, you can continue working on it the next day.*
