

Activities at the Science Centre VIZIUM – “The Enchanted Forest”

Foto autors Ventspils photo archive

During the festive season, the terrace of the Ventspils Science Centre VIZIUM transforms into the “Enchanted Forest”, inviting everyone not only to immerse themselves in the magical Christmas atmosphere but also to register for themed group activities. Preschools and schools are encouraged to sign up their students for the themed event “Elves’ Mischiefs in the Enchanted Forest”, while families and groups can enjoy the activity “Lost and Found in the Enchanted Forest”. Groups can register here: www.adre.se/anketabrinumainaismezs
