

Activities at the Science Centre VIZIUM – “The Enchanted Forest”

Foto autors Ventspils photo archive

During the holiday season, the terrace of the Ventspils Science Center VIZIUM transforms into the “Enchanted Forest,” inviting everyone not only to enjoy the magical Christmas atmosphere but also to register for themed group activities. Kindergartens and schools are encouraged to register their students for the themed event “Elf Mischief in the Enchanted Forest,” while families and teams are offered the program “Get Lost and Found in the Enchanted Forest.”
