

# Community Hall (Saieta nams)

Foto autors Saieta nams foto arhivs

The idea for the Community Hall was born in 2020 when we first opened the doors to the Pasiekste Windmill Tavern. Our vision was to create a place where people could come together, celebrate, create, and enjoy themselves. We aim for this building to serve as a venue for celebrations, a gathering place for people, and a space where everyone feels welcome. May it always be filled with joy, happiness, and love.

Our fresh and modern facilities are available year-round, and we eagerly await your reservations.

The winter season at the **Community Hall** is truly a magical time! During December, January, and February, our spaces transform into a cozy oasis filled with warmth and hospitality. This inviting environment is perfect for family celebrations, birthdays, and gatherings with friends and relatives. Additionally, our venue is an ideal setting for corporate parties, where your team can enjoy the festive atmosphere and create unforgettable memories.

Our chef, **Elvis Rībēns**, will provide an unforgettable culinary experience for your special day. **The Community Hall** offers spaces for events accommodating between 30 and 120 people.
