Director J.J.Jilindžers presents a French comedy that inspired the popular film Le Prenom (2012). At a dinner hosted by Elizabeth and Pierre, guests include Elizabeth’s brother Vincent, his pregnant girlfriend Anna, and their childhood friend Claude. The evening takes an unexpected turn as one misunderstanding leads to another, triggered by the announcement of the name chosen for Vincent and Anna’s unborn son. This will certainly not be an ordinary dinner!
