

Spring Fair “Flower Dance”

Foto autors Ventspils photo archive

During the fair, market visitors will be delighted by a wide range of plants and flowers, where they will have the opportunity to purchase spring produce from our merchants' gardens. As always, the Ventspils market will also offer fresh fish, meat, dairy products, culinary products, industrial goods and other useful everyday goods.

ĪA surprise for visitors – from 10:00 to 11:00, artists from the Liepāja traveling circus “Beztemata” will be present in the market area, bringing live flowers to life. The colorful characters will move around the market, offering the opportunity to take photos and capture an unforgettable spring moment in various places in the market.

We invite traders to apply by May 8 by phone: 26514325 or e-mail: tirgus@ventspils.lv.

We invite everyone to the Ventspils market to enjoy the spring mood, buy seedlings and spring goods grown by local farmers, as well as enjoy the magnificent “Flower Dance”!

See you at the Spring Fair!
