An escape room is a great way for a group to spend time together in a fun and engaging way. It's a real-life game where participants are locked in a room and must find their way out within a set time. In their search for an exit, they need to solve various puzzles, recognize patterns, and find hidden objects in the room.

At the Ventspils Youth House, European Solidarity Corps foreign volunteers have created an escape room for Valentine's Day, themed "Escape from Your Crazy Ex's Prison." It will be available for participants to enjoy. for an entire month on weekdays from January 27th to February 28th.

Everyone is invited to participate! Teams of up to 4 people will have 60 minutes to complete various tricky tasks, unlock locks, guess codes, and escape the room! The available time slots for registration are 14:00, 15:00, 16:00, and 17:00.

Sign up your team by sending a message on Instagram or by writing/calling at 20238456.

The participation fee is 1 Euro per person.
